Job Title

Psychiatrist

Job Description

Beacon Medical Group Behavioral Health and the University of Notre Dame are seeking BC/BE Psychiatrists to provide outpatient and inpatient Adult and Adolescent Psychiatric Services. In this collaborative position, you will help shape a new community initiative between the University of Notre Dame and Beacon Medical Group. Psychiatrists will work in the hospital setting of Beacon; while supporting the work and research at the University through the care of college students at the University of Notre Dame and the community at the Veldman Family Psychology Clinic.

This partnership is designed to establish Notre Dame as a field-leader in mental health research and service delivery to multiple populations. The University of Notre Dame has psychiatric providers at the [University Counseling Center \(UCC\)](#) who work with our diverse and highly motivated student population to offer evaluations and medication management in collaboration with the UCC's licensed clinicians and University Health Services. The position will also be placed in the [Veldman Family Psychology Clinic](#) to support eager community members ready to make a positive change in their own lives and those of their families. The clinic will also serve as a training location for Notre Dame's Clinical Psychology doctoral program. Potential areas of focus for research could include college mental health, trauma informed care, substance use, suicide prevention, family violence, sports psychology, and maternal and child health. Beacon Medical Group, a division of Beacon Health System, is the largest, most integrated medical group in the region, employing more than 400 physicians and representing over 50 different specialties throughout Northern Indiana and Southwestern Michigan. For more details on Beacon Health System, please visit: beaconhealthsystem.org.

The position would offer a market competitive salary and benefit package from Beacon Medical Group, including, but not limited to:

- Medical, Dental, and Vision Insurance
- Life Insurance
- Long-term Disability
- Relocation Allowance
- J-1 Waiver Friendly
- CME Allowance
- Retirement Savings 403(b) and 457(b) Plans
- Paid Malpractice with Tail Coverage Endorsement
- Student Loan Repayment Assistance
- Competitive Salary
- Opportunity at the University of Notre Dame to do teaching, training and research

Beacon Health System locations span across north central Indiana and into southwest Michigan. It is one of the top 2% of hospitals nationwide to achieve a 5 Star CMS Hospital Rating and a AA- bond rating, placing Beacon in the top 10th percentile of health systems across the country. Our physicians and associates enjoy the vibrant surrounding communities which include Elkhart, Granger, LaPorte, Mishawaka, and South Bend.

The University of Notre Dame is one of America's leading undergraduate teaching institutions, and is at the forefront in research and scholarship. The University has a tradition and is committed to educating our students holistically, endeavoring to develop a sense of community and responsibility that prepares students to make positive change in the world. The University is also committed to engaging and serving the local South

Bend community through partnerships and collaborative projects. At Notre Dame, staff are provided with an environment where they are both challenged and supported.
